The Santa Barbara County Vintners' Association is a non-profit organization founded in 1983 to support and promote Santa Barbara County as a premium wine producing and wine grape growing region. The Vintners' Association produces festivals, seminars and tastings and provides information to consumers and the wine and travel media. Through the Santa Barbara County Vintners Foundation, the Association contributes to the community with proceeds from various events, including the annual Santa Barbara Wine Auction, benefiting local charitable, community, and educational organizations.
